Obira flourished during the herring boom of the late 19th and 20th centuries. The Hanada house is a designated important cultural property of Japan, and is one of the largest buildings of this kind. The Hanada family's base was Onishika, and the heritage of that era is kept alive here. Don't miss out on locally-produced, fresh scallops and high quality rice.

Roadside Rest Area Obira (Onishika Hirotomi, Obira)

Multi-purpose cafeteria
